

Eve Patterson - School Board Candidate for St Johns School District

I am running for re-election to the school board because education is important to me and I care very much about the success of our schools. I have been impressed by the quality of the schools in Saint Johns since I moved here with my husband and two small boys over twenty years ago. Now, my three oldest children have graduated from Saint Johns High and I still have three children attending our schools – one in the high school, one in the middle school and my youngest in the Coronado school. Having grown up in Phoenix and attending a very large school, I have appreciated the advantages of sending my kids to a good small school in a close-knit community.

I have been extremely impressed with our school district, our administration, teachers and staff as I have dealt with them over the years and especially since working more closely with them the last four years as a member of the current school board. I want to be a part of keeping our schools strong and providing the best education we can to all of our children.
