RE: Sanders School Governing Board

I have been a school board member for the past 8 years, here at Sanders Unified School, and would like to continue to strive to make the school district make AYP in all schools, every year.

In the past year, we have made strides, but have not been consistent, and we need to make a concerted effort to make this happen.

All the board members that are elected need to see the big picture and get on board, and make this happen.

Thank you,
