

TO WHOM IT MAY CONCERN:

My Name is Wayne Claw, Presently serving on the Chinle Unified School District #24 (CUSD) as a Board Member. I am interested in running for my second term as a school board member. For the last 3 ½ years I served, the experience working with the administrators, teachers, and student's been rewarding. The needs are huge, in reference to providing quality education to our students and hiring excellent teachers. The support is very much needed here at CUSD in order for our students to excel where they can learn be responsible. I want to continue being involve on issues that I been involve in the last 3 ½ years and not let it stop. We have wonderful teachers and administrator here a CUSD, "they are here for the kids", I need to stay on the Board to continue supporting them. I also have grandchildren in school here and want them and others students to have a good education. I want to help CUSD become one of the best schools in the State of Arizona.
