My name is Roger Brown and I am a candidate for the office of School Board Member for the Concho Elementary School, ESD #6. I have served in that position since I was appointed in November of 2016 to complete a term of another board member who resigned. It has been an honor to serve on the board of a wonderful school such as Concho. I have come to know and appreciate the dedicated staff of our school. Last year, in cooperation with The Superintendent Mr. Yoder, I sat in and observed each class pre-school thru 8th grade. I could see that our teachers are energetic, skilled and obviously care about our students. The children in our schools are our future and deserve the best education that we can provide. Since I was appointed I have never missed a regularly scheduled board meeting. My wife and I have lived in Concho for 10 years and we both believe in supporting our community. I am an active member of The Concho Volunteer Fire Dept. (10 years), member in good standing of American Legion Post 130, board member of Concho Can (community action network) and recently joined The Concho Lions Club. I am looking forward to serving another 4 years on The Concho School Board.
