

Daisy Slim-

Have been a strongly advocate for education to parents, leaders of community, and school environment in Sanders.

Willing to seek workable solutions and focus on local issues facing the school systems.

Her number one priority in serving is her love for students to be able to become self-sufficient citizens of the future.

Practice pragmatic leadership with cooperative spirit, professional attitude, and caring disposition.

Is a quintessential professional, listening to others opinions with interest, offering suggestions based on sound pedagogy, and demonstrating a sincere willingness to try new strategies.
