

Irene M. Humphrey

I am a retired teacher and currently a member of the School Board for the Vernon School District (ESD#9). It is my wish to run again for the office of this school board for a two-year term.

I taught in Oakland, CA as well as for the Apache Reservation in Cibecue, AZ

I believe I would be a valuable Board Member considering my teaching experience for thirty years. It is my desire to continue supporting the Superintendent in her effort to help the Vernon Elementary School and work in concert with the current School Board to achieve their goals.

I look forward to continue working and supporting the Vernon School Board.
